

Level 5 Operations / Department Manager Apprenticeship

London Open Programme

Did you know that apprenticeships are not just for young people?

As a specialist leadership and behavioural development organisation, Dove Nest is delighted to offer an open Level 5 'Operations/Departmental Manager' apprenticeship programme for individuals who are looking to develop their leadership and management skills and understand more about themselves.

This apprenticeship is aimed at current managers who manage teams or projects and are responsible for achieving operational or departmental goals and objectives as part of their organisation's strategy.

Engagement on the programme will allow your employer to claim Apprenticeship Levy funding to cover the cost of your training, whilst you gain valuable skills, tools and techniques to take back into the workplace. The programme also gives you a unique opportunity to network with individuals from other organisations, allowing for the sharing of different perspectives and peer to peer support.

The Dove Nest level 5 programme is delivered through a blended learning approach, with the option of culminating in an internationally recognised qualification (ILM/CMI). The programme covers development of knowledge and skills in the following areas*

- Operational Management
- Project Management
- Finance
- Leading People
- Managing People
- Building Relationships
- Communication
- Self-Awareness
- Management of Self
- Problem Solving & Decision-Making
